NavStar 10

NavStar 12

The SI-TEX NavStar 10 and NavStar 12 MFDs give you everything you need — precision chartplotting, powerful dual-frequency sonar, professional-grade 4kW radar, global satellite communications and Bluetooth entertainment capabilities — all in one rugged and compact system with Hybrid Touch-Screen Control. Now, for a limited time, these state-of-the-art units give you even more — up to \$400 cash back in your pocket!

Just purchase a NavStar 10 or NavStar 12 during the promotional period (January 1, 2019-April 30, 2019) and submit proof of purchase with a completed SI-TEX NavStar Rebate Form available on our website.

PURCHASE A NAVSTAR MFD TO RECEIVE:

SI-TEX NavStar 10/12	\$200 Rebate
SI-TEX NavStar 10R/12R (with 4kW Radar)	\$400 Rebate

What better way to start the boating season than with a new SI-TEX NavStar MFD on your helm and some extra money you can use for fuel, bait, or gear?

Don't wait! This promotion runs only from January 1, 2019 to April 30, 2019. Call SI-TEX Marine Electronics, talk with your dealer or visit our website for more information and a copy of the rebate form.
