

## CVS-1410 DIGITAL ECHO SOUNDER

<b>CVS-1410</b>	Koden CVS-1410 Digital Echosounder, 10.4" LCD, 1 kW, 50/200 kHz	\$2,799.00
-----------------	---	------------

### TRANSDUCERS, CABLES AND ADAPTERS

<b>BD-08BFFA-L180</b>	8 pin connector only for transducer cable (can also use Conxall 6282-8SG-519)	\$20.00
<b>CW-840</b>	Transducer cable with depth transducer wires only, no depth, temp, 1'	\$75.00
<b>CW-838-0.3M</b>	Transducer cable with transducer, temp/speed sensor wires, 1'	\$85.00
<b>TD501T-8CX</b>	High quality 50/200 kHz 1 kW bronze through hull transducer with temp sensor, 9m single cable, prewired with Koden 8 pin digital connector	\$400.00
<b>BTH260-8CX</b>	Broadband 50/200 kHz 1 kW bronze through hull high sensitivity transducer with fairing block and temp sensor and 6' cable, 10 m adapter cable prewired with Koden 8 pin digital connector - recommended for best performance	\$1,249.00
<b>UTM260-8CX</b>	Broadband 50/200 kHz 1 kW transom mount high sensitivity transducer with kick up feature, mounting hardware, urethane housing, prewired with Koden 8 pin digital connector - recommended for best performance	\$1,049.00
<b>TD-031-8CX</b>	Rubber molded broadband 50/200 kHz 1 kW high sensitivity transducer commercial vessels, no fairing block, prewired with Koden 8 pin digital connector - recommended for best performance	\$1,599.00
<b>Digital-A-Cable 3</b>	Adapts old style metal 3 pin small Fuji plug to the new 8 pin plug for digital Koden sounders, 4"	\$65.00
<b>Digital-A-Cable 5</b>	Adapts old style metal 5 pin large Fuji plug (CVS-841) to the new 8 pin plug for digital Koden sounders, 4"	\$85.00
<b>Digital-A-Cable 8</b>	Adapts old style metal 8 pin small Fuji plug to the new 8 pin plug for digital Koden sounders, 4"	\$65.00

### SPARES

<b>CW-253-2M</b>	5 pin power cord	\$83.75
------------------	------------------	---------

### OPTIONS

<b>GPS-20A</b>	Smart GPS sensor to enable Navigation and Hot Spot functions	\$259.00
<b>CW-576-0.5M</b>	VGA out cable with 15D female plug. For external monitor connection - use any 4:3 ratio VGA monitor in portrait orientation - <b>UNIQUE OPTION</b>	\$150.00
<b>CW-376-5M</b>	6 pin NMEA cable, 5 meters long, one end plain	\$75.00
